LOGO GUIDELINES AGAINST BACKGROUND COLORS

Approved Colors

The logo is recommended to be used against Dark Green, Black, transparent or neutrals such as Grey/Silver. Please contact the school administration for approval on use of any other non-official school color backgrounds (eg. light blue, pink, etc).

The logo should always be used on a solid color (or transparent) background (vs. against an image, pattern or texture).
Approved Colors

ONE COLOR LOGOS
The approved ink colors include the official primary and secondary colors, accent colors if mentioned on page 3.1, white and black.

In one color designs, the eyes will always be dark.

Simply inverting the color will result in a photo negative look that is not acceptable for the brand.
The approved font is Tertre Extra Bold. Tertre Extra Bold should always be used for your school name and used when identifying a sport, department, club or other secondary priority associated with the school.

*VIP Branding does not provide fonts to clients for use. Fonts are a licensed product from the manufacturer and need to be purchased from said manufacturer for clients personal and commercial use.
