Almost 5 million people can't be wrong! Did you know that PTSA is the largest child advocacy association in the United States? PTSA brings together people who share common concerns and experiences. It's about men and women working together towards a shared goal. That goal is creating a better school and a better educational experience for our children. We strive to create an atmosphere where teachers, administrators, students, and families can all thrive. All members of our community have a stake in the future of all of our children. It is vital for the success of our youth and our community that we ALL make a commitment to show our support by joining or sponsoring Muskogee High School PTSA. That is why we are launching an opportunity for local businesses to support students, staff, and campus at Muskogee High School through annual Corporate Sponsorship opportunities.

Just a few of our future 2019-2020 goals:
- $5000.00 in scholarships
- Improved school atmosphere by cleaning, painting, and planting
- Enhance the school community by funding, organizing, special events
- Host an AIM FOR THE STARS weekend workshop for students, families and alumni
- Aid teachers by providing classroom supplies, support, and appreciation gifts
- Fund special projects such as Freshman Bash, Attendance Incentives for Students and Pride Banners on the Light Poles around the school

Sponsorship donations are not only a funds generator, but more importantly it’s how we grow stronger voices for our children.
