According to the amended law, no person or business having a contract with the school district for services to be performed on school premises shall knowingly and willingly allow any employee to work on school premises if the employee is currently registered under the provisions of the Oklahoma Sex Offenders Registration Act*. This statement of compliance must be signed and returned before payment(s) can be made.

S.B. 588, Section 1:
It is unlawful for any person registered pursuant to the Oklahoma Sex Offenders Registration Act to work with or provide services to children or to work on school premises for any person or business who offers or provides services to children or contracts for work to be performed on school premises to knowingly and willingly allow any employee to work with children or to work on school premises who is registered pursuant to the Oklahoma Sex Offenders Registration Act. Upon conviction for any violation of the provisions of this subsection, the violator shall be guilty of a misdemeanor punishable by a fine not to exceed One Thousand Dollars ($1,000.00). In addition the violator may be liable for civil damages.

A person or business who offers or provides services shall ensure compliance with subsection A of this section as provided by Section 6-101.48 of Title 70 of the Oklahoma Statutes.

Section 2:
477870200. No person or business having a contract with a school or school district to perform work on a full-time or part-time basis that would otherwise be performed by school district employees shall allow any employee to work on school premises if such employee is convicted in this state, the United States or another state of any felony offense unless ten (10) years has elapsed since the date of the criminal conviction or the employee has received a presidential or gubernatorial pardon for the criminal offense.

477870201.
