Rougher 300 - Application Instructions

How to complete the application:

- Every applicant must complete the entire application.
- A separate verification form must be completed for each activity.
- Include only those activities since entering high school.
- Avoid the use of acronyms so the selection committee can understand the group discussed.
- Volunteer activities may occur at or outside MHS. Hours during the school day must be approved by the Selection Committee. A member of the selection committee will verify participation in the activities listed on the application and any erroneous or inaccurate information will result in disqualification from recognition.
- Generally speaking, service activities are those which are done on behalf of others (not including immediate family members or Court mandated hours) for which no compensation (monetary or other) has been given. Any school, community, or religious activity in which service has been offered without pay during the high school years and outside the school day (some exceptions apply) may be included.

1. Complete the verification forms for any volunteer work the meets the criteria described above.
2. Share any stories or experiences (on a separate piece of paper) or submit photos of you in action as a volunteer.
3. Create a packet containing the cover page, application, and verification forms.
4. Submit a copy of the completed application to the Main Office no later than the Monday after Spring Break.

Important Information Regarding the Selection Process

The applications are read and evaluated by a selection committee comprised of administrators, faculty and community individuals. There is no minimum or maximum number of candidates selected for recognition; rather all who are judged to meet the criteria are accepted.
