Do things for people
not because of who
they are or what
they do in return,
but because
of who you are.

Be Kind
Martin Luther King is nice and kind
Kindness means everything
Kindness Matters!

KINDNESS ROCKS!

Kindness Always Matters!

"It starts with kindness and ends with kindness."

"If you have something nice to say, don't say it!"

Be the reason someone smiles today.

Smile. Laugh. Care.

Kindness is the best decision to be made even if other people seem kind to you. So love a little kind wherever.
Be kind and give love and be sweet.

Your the best.

Kind nice.
Never judge a book by its cover! Kindness is the way to see the world. A better invention than you. You are learning a lot.
Be kind and give love and be sweet.
