6th Grade Course Request

NAME: _______________________________________________________________ GENDER: _______

First       Middle       Last                                           M/F

Every student will be enrolled in Math, ELA, Science/Social Studies and AVID (Advancement Via Individual Determination).

Students may enroll in 2 elective classes for next year. If a student scores Unsatisfactory on the OSTP in reading, they MAY have to enroll in a remedial reading course, subject to availability. This class would take the place of one elective.

Please select FOUR courses you would like to take. Number them 1-4, with 1 being your first choice. Choices 3 and 4 will only be used if your first and second choices are not available. Course descriptions provided on the back of this form.

Art_____
Band_____
Choir_____
Physical Education_____
Student Life_____
Turn the Page_____

_________________________________________________________________________       ____________
Parent’s Signature                                                                                Date
Art: an introduction to drawing, painting and other art mediums. Students will be exposed to basic principles of design and color theory.

Band: an introduction to band fundamentals (brass, woodwinds and percussion).

Choir: an introduction to music literacy skills, singing technique and performing skills.

Physical Education: activities designed to promote the components of physical fitness.

Student Life: an opportunity to develop leadership skills through communication, human relations skills, and self-awareness. Students will be involved in school planning of spirit days, fundraising and school beautification. Students will contribute to the school newspaper and yearbook.

Turn the Page: novel studies for fun. Students will read and respond to reading through various means such as book circles, writing and group presentations. Students will select books for these studies through the use of “book tastings”.
