March 31, 2020

Muskogee Family,

In order to increase the reach of our Meal Program, we are announcing some changes to our breakfast and lunch programs.

Beginning Thursday, April 2nd:

- Breakfast will be served from 8:30am to 9am
- Lunch will be served from 11:30am to 12:30pm.
- There are no changes to feeding locations at this time.

Workers will be providing this information to students and families at sites tomorrow as well.

Also, today we learned that one of our child nutrition members at Irving may have had contact with a person who is now under observation for COVID-19 symptoms. This employee has gone under self-quarantine as a precaution. We will be as transparent as we are allowed to be in these situations, and will provide updates on this situation.

As a response to this news, we are making the following changes to our routine:

- Reducing the number of staff working in kitchens and on shuttles
- Requiring all staff to wear gloves and masks in all working environments
- Focusing as much as possible on social distancing in kitchens and feed sites
- Centralizing food preparation and distribution which allows us to clean a smaller area more thoroughly

If you are worried about possible exposure to you or a family member, please contact your health care provider with those questions.

As always, the safety of our students, staff, and families is of the utmost importance. As such, the district wanted to provide families with this information.
